

Glen E. Getz, PH.D, ABN

Board Certified Clinical Neuropsychologist

Curriculum Vitae

Business Address:

Allegheny General Hospital
Department of Psychiatry
Four Allegheny Center, 8th Floor
Pittsburgh, PA 15212-5234
ggetz@wpahs.org
tel: (412) 330-4076; fax: (412) 330-4366

Neuropsychology Specialty Care, LLC
135 Cumberland Rd. Suite 108
Pittsburgh, PA 15237
Drglengetz@gmail.com
tel: Office (412) 366-2087; Fax 412-366-0564
Cell (412) 303-9758

Education:

- 7/2003- 6/2004 Allegheny General Hospital, Pittsburgh PA
Clinical Psychology Intern
Graduated with Honors
- 3/2001- 6/2003 University of Cincinnati, Cincinnati OH
Doctoral Candidate, Clinical Psychology
Dissertation: Social Functioning and Facial Affect Recognition Deficits in
Mood Disorders

Awarded Doctorate on September 4, 2004

- 9/1999- 3/2001 University of Cincinnati, Cincinnati OH
Master of Arts Degree: Psychology
Thesis: Facial Affect Recognition Deficits in Bipolar Disorder
- 8/1998-3/1999 Xavier University, Cincinnati OH
Clinical Psychology
- 8/1994-5/1998 John Carroll University, Cleveland OH
Bachelor of Science Degree: Psychology

Postgraduate Training

- 7/2004- 6/2006 Clinical Neuropsychology Post-Doctoral Fellow
Department of Psychiatry, Allegheny General Hospital
Supervised by Michael Franzen, Ph.D.
Allowed 50% of time to complete comprehensive neuropsychological assessments and reports with inpatients from all hospital units, as well as conduct outpatient evaluations on children, adults and geriatric patients. Allowed 35% of time to conduct research and provide teaching to clinical interns, graduate students and medical students. Remaining 15% of time utilized to provide CBT-based therapy

for children and adults, as well as to lead the mental health aspect of a manual based obesity program for children and their parents.

Employment History

Research Placements:

- 9/1997-8/1998 Research Assistant, Case Western Reserve University, Cleveland OH
Department of Psychiatry
Supervised by S. Charles Schulz, M.D.
Assisted with investigational drug trials for major pharmaceutical companies and investigator-initiated projects. Administered cognitive assessments for clinical drug trial studies. Conducted structured clinical interviews on patients diagnosed with schizophrenia and borderline personality disorder.
- 8/1998-6/2003 Graduate Research Assistant, University of Cincinnati Medical Center
Bipolar and Psychotic Disorders Research Program
Supervised by Stephen Strakowski, M.D.
Actively involved in several government and industry-sponsored grants. Responsibilities included neuropsychological assessment of inpatients and outpatients with bipolar and psychotic disorders, transferring and morphometrically measuring MRI brain regions of interests on BrainImage, working with radiology, recruiting patients for research and data entry.

Clinical Placements

- 9/1999-6/2000 Psychology Assistant
Walk-in Clinic, University of Cincinnati
Supervised by Debjani Sinha, Ph.D.
Testing and report writing for adult ADHD/LD and Vocational assessment. Conducted brief outpatient therapy and crisis intervention with clients with personal adjustment issues, mood disorders, anxiety and vocational difficulties.
- 8/2000-6/2001 Neuropsychology Assistant
Epilepsy Monitoring Unit, University of Cincinnati Hospital
Supervised by Bruce Schefft, Ph.D.
Performed clinical interview and comprehensive neuropsychological assessments for patients evaluated for epilepsy.
- 8/2001-5/2002 Psychology Trainee
Psychological Services Center, University of Cincinnati
Supervised by Virginia Reid, Ph.D.
Testing and report writing for ADHD/LD and Vocational assessment. Conducted brief therapy and crisis intervention with individuals and couples.
- 8/2002-5/2003 Neuropsychology Assistant
Department of Psychiatry, University of Cincinnati College of Medicine
Supervised by Robert Krikorian, Ph.D.
Conducted comprehensive neuropsychological assessments and reports for patients from psychiatric, geriatric and other hospital units. Completed evaluations on adults with ADHD

6/2003-5/2004 Clinical Neuropsychology Extern
Sports Medicine Concussion Program, University of Pittsburgh
Supervised by Mark Lovell, Ph.D.
Conducted comprehensive neuropsychological assessments and reports with
outpatients who have sustained a sports related traumatic brain injury.

Current Clinical and Faculty Appointment

7/2006- 2015 Clinical Neuropsychologist
Department of Psychiatry, Allegheny General Hospital
Assistant Professor
Drexel University College of Medicine
Assistant Professor

Temple University School of Medicine
Complete comprehensive neuropsychological assessments and reports with
inpatients from all hospital units, with a majority in TBI, as well as conduct
outpatient evaluations on geriatric patients, children and legal cases. Involved in
research based projects within the Department. Conduct CBT on psychiatric
patients, with a specialty focus in mood disorders & TBI. Supervise clinical
neuropsychology post-doctoral fellows, clinical psychology interns, psychiatry
residents and graduate students and undergraduate students.

7/2008-Present Director, Post-Doctoral Training Program
Department of Psychiatry, Allegheny General Hospital
American Board of Professional Neuropsychology approved post-doctoral training
credentialed in March, 2014. Assist with clinical patients, both inpatient and
outpatient as needed at the present time.

3/13- Current Owner
Neuropsychology Specialty Care, LLC
Conduct high level comprehensive neuropsychological evaluations for legal,
clinical and educational purposes. Over 150 medical-legal evaluations, including
involvement in the NFL Retired Players Concussion Settlement. Have served as a
reviewer for medical-legal purposes for worker's compensation and disability
claims. Provided presentations and consultations regarding neuropsychological
industry standards and expectations to attorneys, as well as other individuals and
organizations.

Certification and Licensure

- Licensed Clinical Psychologist, 2006
- Certified Major League Baseball Evaluator for TUE Program completing ADHD Evaluations, 2009

Board Certification

- Diplomat, American Board of Professional Neuropsychology: 2013

Honors and Awards:

- J.C. Penny Golden Rule Award for Volunteerism 1994
- John Carroll University Dean's List 1995-1998

- John Carroll University Resident Assistant of the Year 1997-1998
- John Carroll University: Psychology Department Service Recognition Award 1997 & 1998
- Midwestern Psychological Association: Best Student Paper 1998
- The National Scholar Honor Society Award - 1999
- American Psychological Association Student Travel Award 2001
- University Research Council Summer Research Fellowship 2001 & 2002
- American Neuropsychiatric Association Young Investigator Award 2003
- Allegheny General Hospital Internship Graduate with Honors, 2004
- National Registrar Early Career Psychologist Credentialing Scholarship, 2008

Memberships and Offices in Professional Societies

- Pennsylvania Psychological Association 2006- Present
- Chair of Association of Neuropsychology Students in Training (Subcommittee of APA Div 40), 2004 - 2006
- American Psychological Association: Member of Divisions 40 (Division of Neuropsychology), 1998 - Present & Division 1 (General Psychology), 2005 - Present
- International Neuropsychological Society: Member, 1999 - Present
- U.C. Graduate Student Governance Association: Vice President in Psychology, 2002-2003
- American Neuropsychiatric Association: Member since 2007
- National Academy of Neuropsychology: Member since 2008
- National Register of Health Service Providers in Psychology: Member since 2008

Professional Committees and Administrative Service

- Allegheny General Hospital, Department of Psychiatry Clinical Internship Committee, 2003- 2014
- Allegheny General Hospital, Department of Psychiatry Website Committee, 2006- 2007
- Northside Health Improvement Partnership, Child Abuse Committee, 2008
- Allegheny General Hospital, Department of Psychiatry, Neuropsychology Post-Doctoral Fellowship Training Director, 2008-Present
- APA Division 40 Program Committee, 2011- Current
- Allegheny General Hospital, Dept. of Psychiatry, Residency Selection Committee 2012-2014
- American Board of Professional Neuropsychology Post-Doctoral Program Reviewer: 2013- Present
- American Board of Professional Neuropsychology Mentor 2013-October 2017
- American Academy of Professional Neuropsychology- Chair/Director of programs, 2017

Community Service

- Pittsburgh Chamber of Commerce, "Party in the Park"- Ask the Expert Volunteer: 2004, 2005, 2007
- Christmas Party for the Pittsburgh Northside Community, Volunteer: 2005, 2006, 2007, 2008
- Consultant /Volunteer for KnitHope, 2010 - Current
- McCandless Athletic Association, Volunteer 2013-Current

Educational Activities

Courses Taught:

- Laboratory Assistant: Research Methods; John Carroll University, Fall 1996 & Spring 1997. Assisted professor by providing statistical assistance to students and helped correct research papers.
- Teaching Assistant: Introductory Statistics; Xavier University, Fall 1998 & Spring 1999. Assisted professor by teaching class lectures, leading review sessions, grading exams and holding office hours.

- Teaching Assistant: Abnormal Psychology; University of Cincinnati, Summer 2001. Assisted professor by teaching lectures, leading review sessions, grading papers and holding office hours.
- Instructor: Introduction to Psychology; University of Cincinnati, Spring 2002. Taught course to 200 students, focusing on behavioral neuroscience, memory, thought, language & motivation.
- Instructor: Practical Applications of Psychology; University of Cincinnati, Summer 2002. Taught course to 25 students, focusing on applying psychological principles to their everyday lives.
- Adjunct Professor: Physiological Psychology; West Virginia University, Spring 2005. Taught course to 13 counseling graduate students emphasizing the biological aspects of behavior.
- Adjunct Professor: Applied Biological Basis of Behavior; Chatham University, Spring and Summer 2007 Summer 2008, Spring and Summer 2009, Spring, Summer & Fall 2010, Spring & Fall 2011, Spring & Fall 2012, Fall 2013. Taught course to graduate students emphasizing the application of the biological aspects of behavior.
- Adjunct Professor: Psychobiology; Chatham University, Spring 2010, Spring 2012, Spring 2013. Taught doctoral level students biological basis of behavior.

Advising: Dissertation Committee Member:

- Chan, C. Carlow University. Department of Psychology. Dissertation Topic: The Personality Assessment Inventory Ability to Predict Symptom Validity Test Results (2015-2017)
- Eash, K. Indiana University of Pennsylvania. Dissertation Topic: Symptom Validity and Performance Validity Measures in ADHD (2015-2017)
- Sekunda, Victoria. Carlow University Department of Psychology. Dissertation Topic: The Effect of Depression on Executive Functioning in a community Based HIV-Population (2014-2016).
- Aguilar, Cynthia. Indiana University of Pennsylvania. Dissertation Topic: Utilizing the FOLD Object Memory Test in Identifying MCI. (2012- 2014).
- Crisson, Cara. Carlow University Department of Psychology. Dissertation Topic: Adult ADHD & MMPI (2011- 2014)
- Lefford, Stacie. Duquesne University School of Education. Dissertation Title: Working memory deficits in children with ADHD: Contributions of executive control process. (2006- 2008)
- Mangis, Hillary. Duquesne University School of Education. Dissertation Title: Executive function in depressed children. (2006- 2009)

Training Director of a American Board Professional Neuropsychology:

Has supervised and served as Training Director for 10 post-doctoral fellows who have graduated and successful are employed as neuropsychologist (3 of whom have progressed through board certification and 3 who are in the process at the present time)

Support

Research Grants

Role: Principal Investigator
Title: Cognitive Functioning in Childhood Trauma
Agency: Allegheny General Hospital, Department of Psychiatry, Pittsburgh, PA, 2007-2009
Direct Costs: 10% of salary covered by ASRI; \$1500 for participant payments.

Role: Co-Investigator
Title: Neurocognitive symptoms in HIV-Infected and HIV-HCV Co-Infected Persons
Agency: Substance Abuse and Mental Health Service Administration, 2009-2010
Direct Costs: 10% of salary

Role: Principal Investigator.
Title: Social Skills and Facial Emotion Recognition in Mood Disorders
Agency: University of Cincinnati, University Research Council Summer Award, 2002.
Direct Costs: \$1700.

Role: Principal Investigator.
Title: Social Skills and Facial Emotion Recognition in Mood Disorders
Agency: University of Cincinnati, University Research Council Summer Award, 2002.
Direct Costs: \$1700.

Role: Principal Investigator.
Title: Facial Emotion Recognition in Bipolar Disorder
Agency: University of Cincinnati, University Research Council Summer Award, 2001.
Direct Costs: \$1700.

Ad Hoc Journal Reviewer:

- Bipolar Disorders
- Journal of International Neuropsychological Society
- Psychopathology
- Journal of Psychiatric Research
